Materials:

- Cardstock colors: White, Red, Blue, and Black.
- Adhesive foamy dots.

UPLOADING IMAGES ON DESIGN SPACE.

1. Upload images (SVG or PNG) to Design Space.
Note: PNG images need to be used as print then cut images.

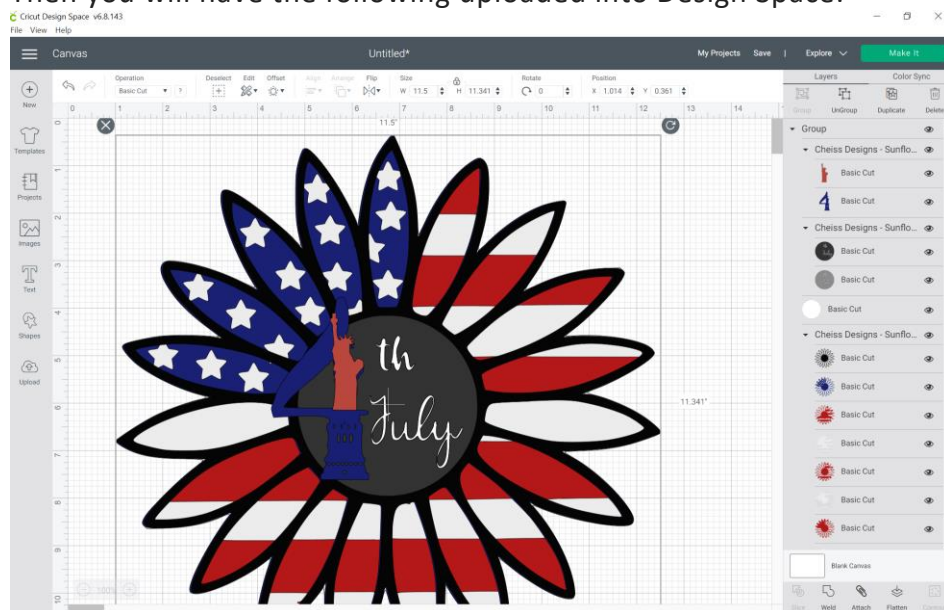

2. For SVG images.

Insert SVG:

1. Insert SVG File

2. Then you will have the following uploaded into Design Space:

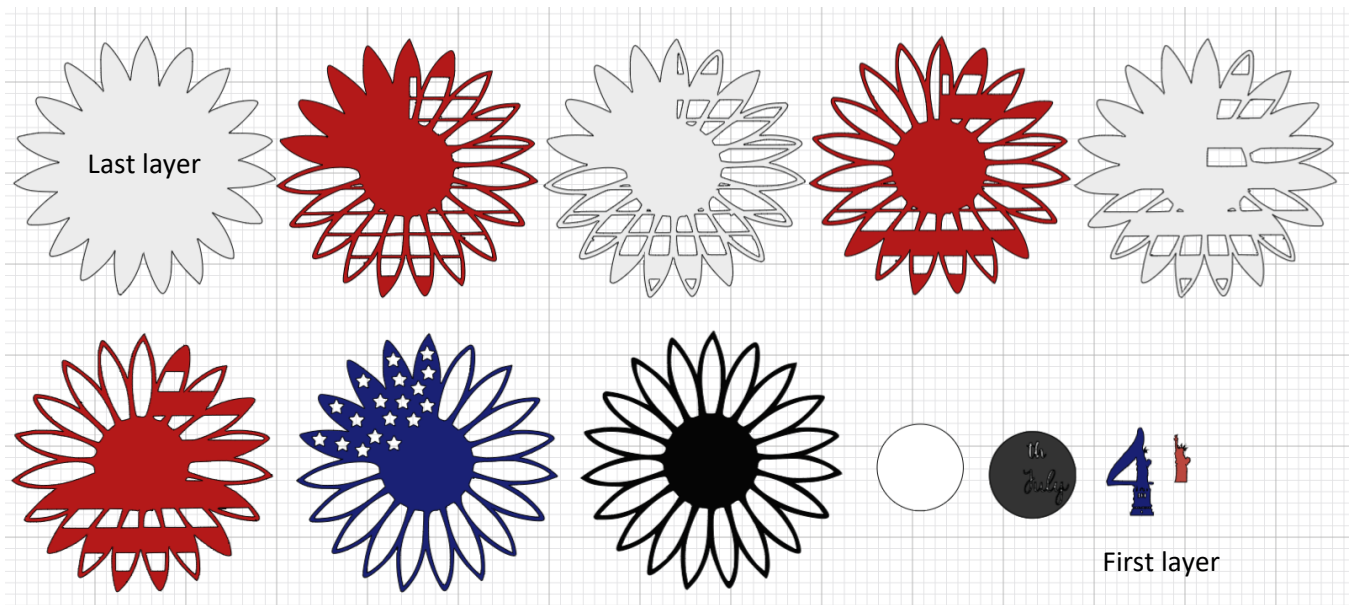

Design size: Size W 11.5 H 11.341

3. Change the size as desired. We do not recommend to make the design too small as it would be more difficult to cut intricate pieces.

NOTE: You can change images to a different size, but you will need to make sure all pieces are adjusted accordingly. You will need to group the entire design and then adjust the size.

4. Layers order.

5. Start from last layer all the way to the first one.

Enjoy crafting and feel free to contact us if you have any questions.
