厚紙などに貼ってお使いください

■ 注意事項

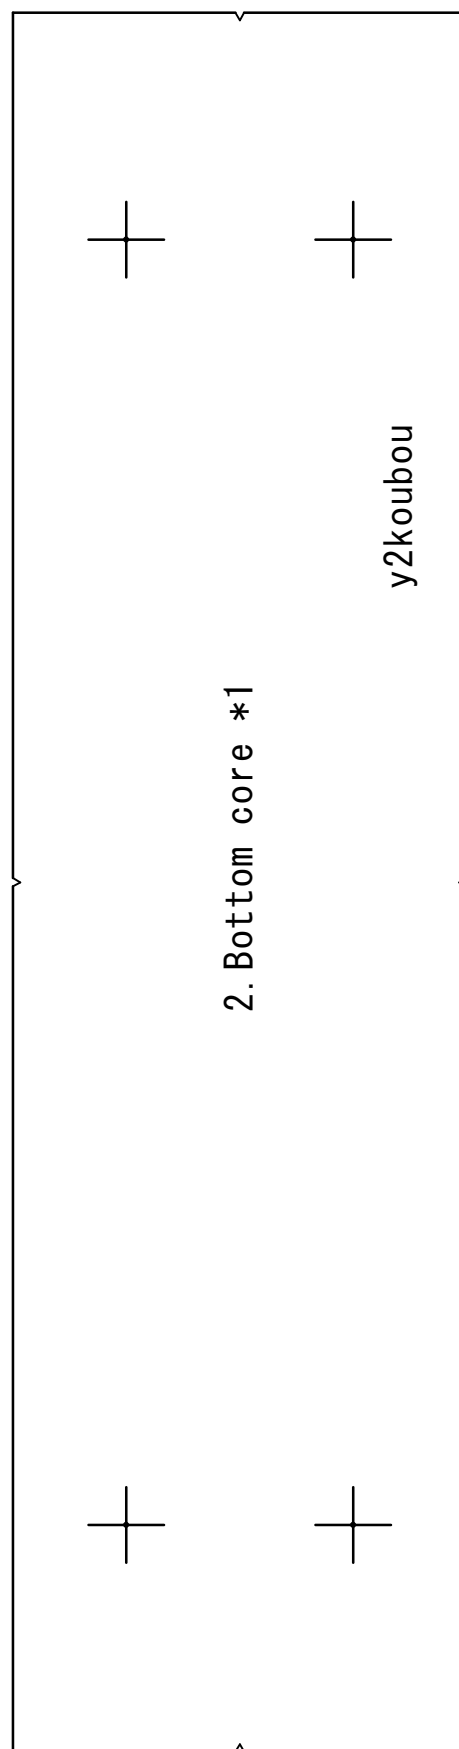

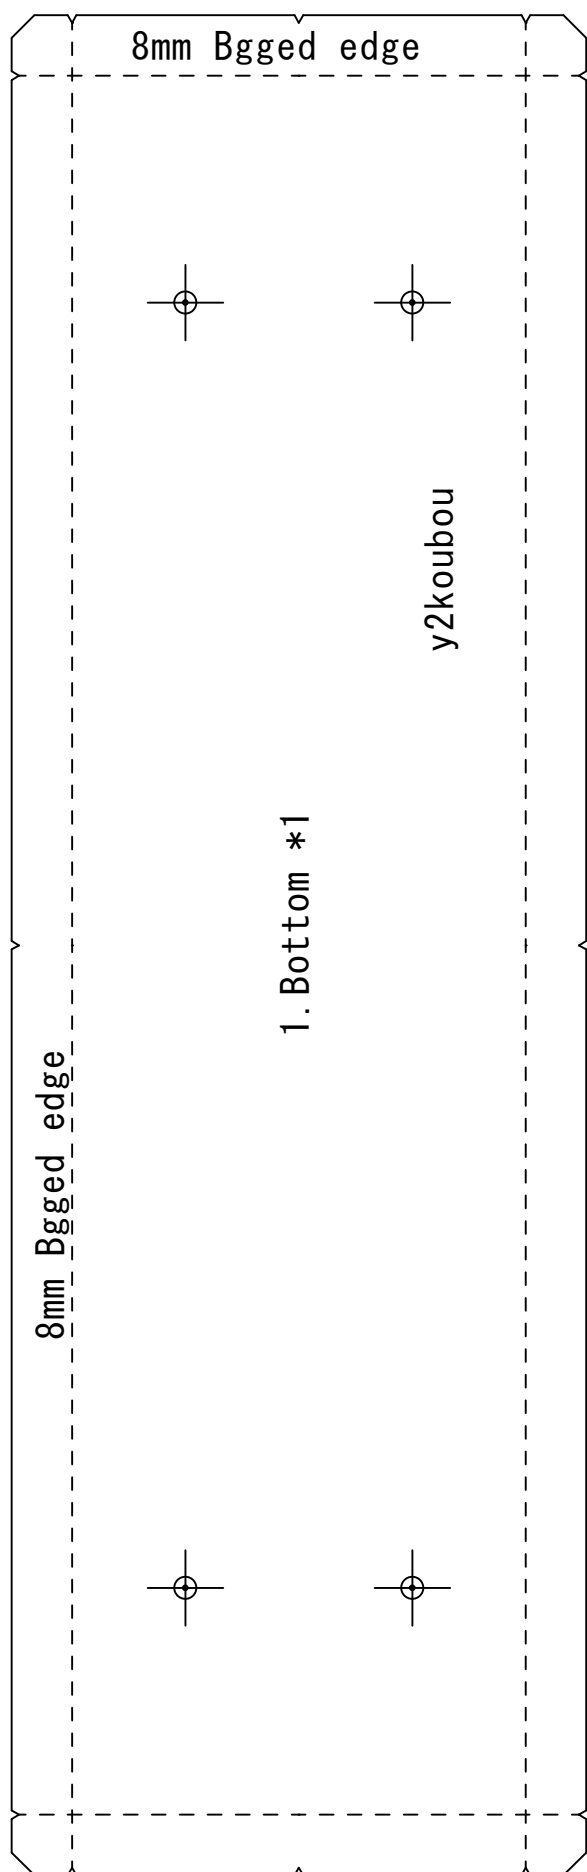

革の厚みや、芯材又は、芯材の厚みなど、微妙なズレの積み重ねで縫製寸法がが合わなくなり、綺麗に作れなくなる場合があります。又、プリンターの性能、用紙の伸び縮によって正確な寸法で出力されない場合があるため、1mm(0.0394インチ)単位のズレを注意しなければ行けない箇所は、確認してからご使用ください。

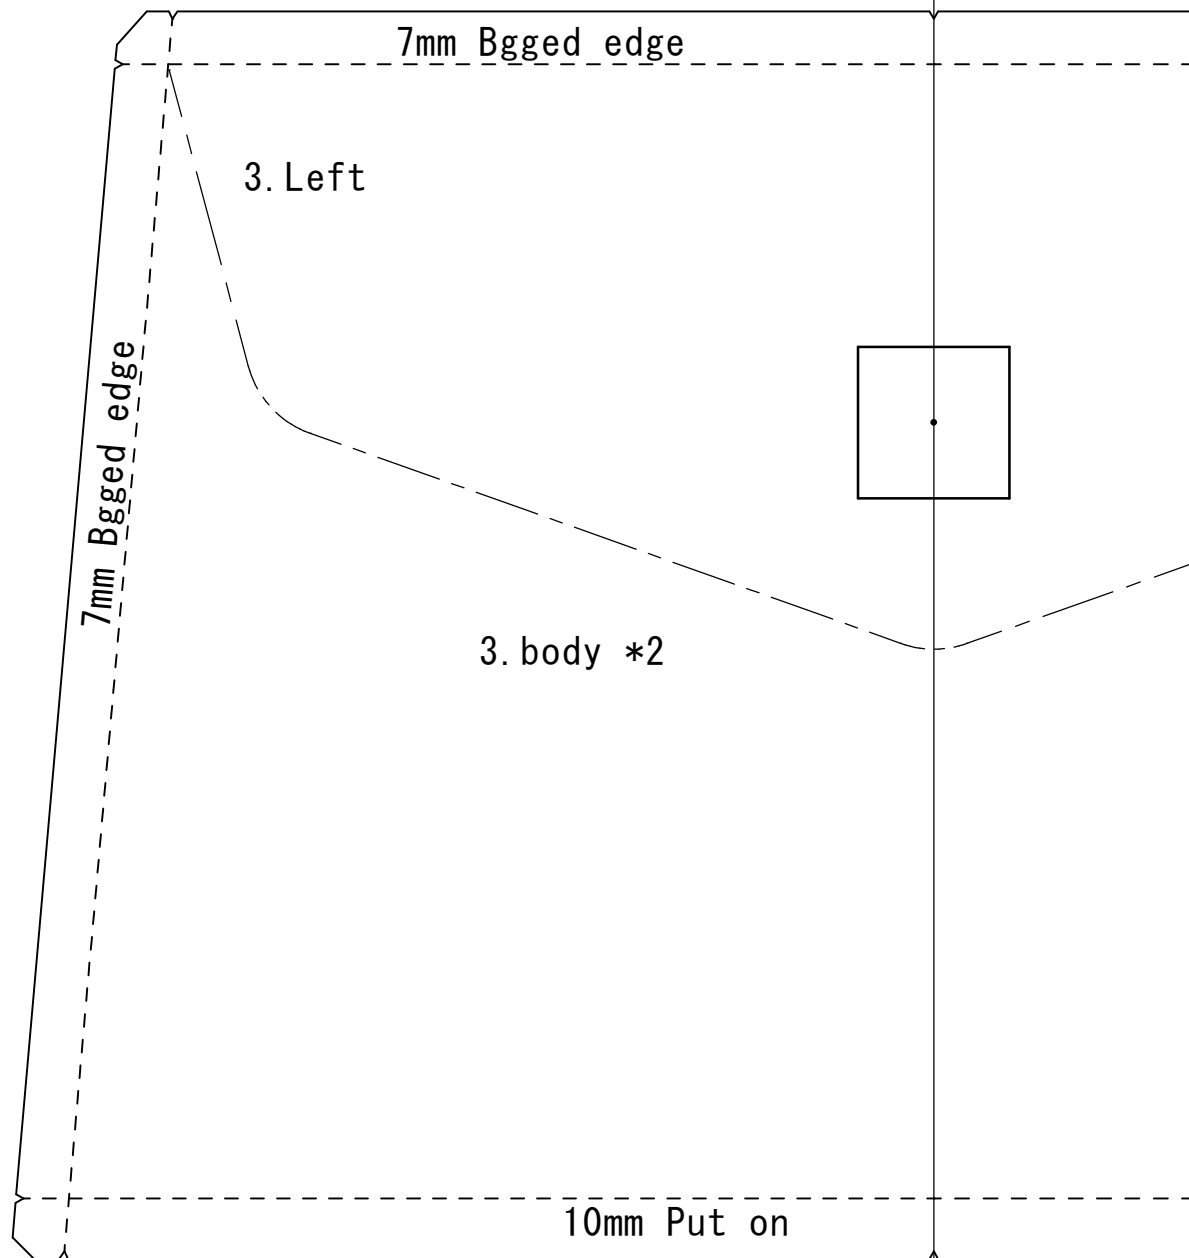

Thank you for downloading
Please use it by sticking it on thick paper

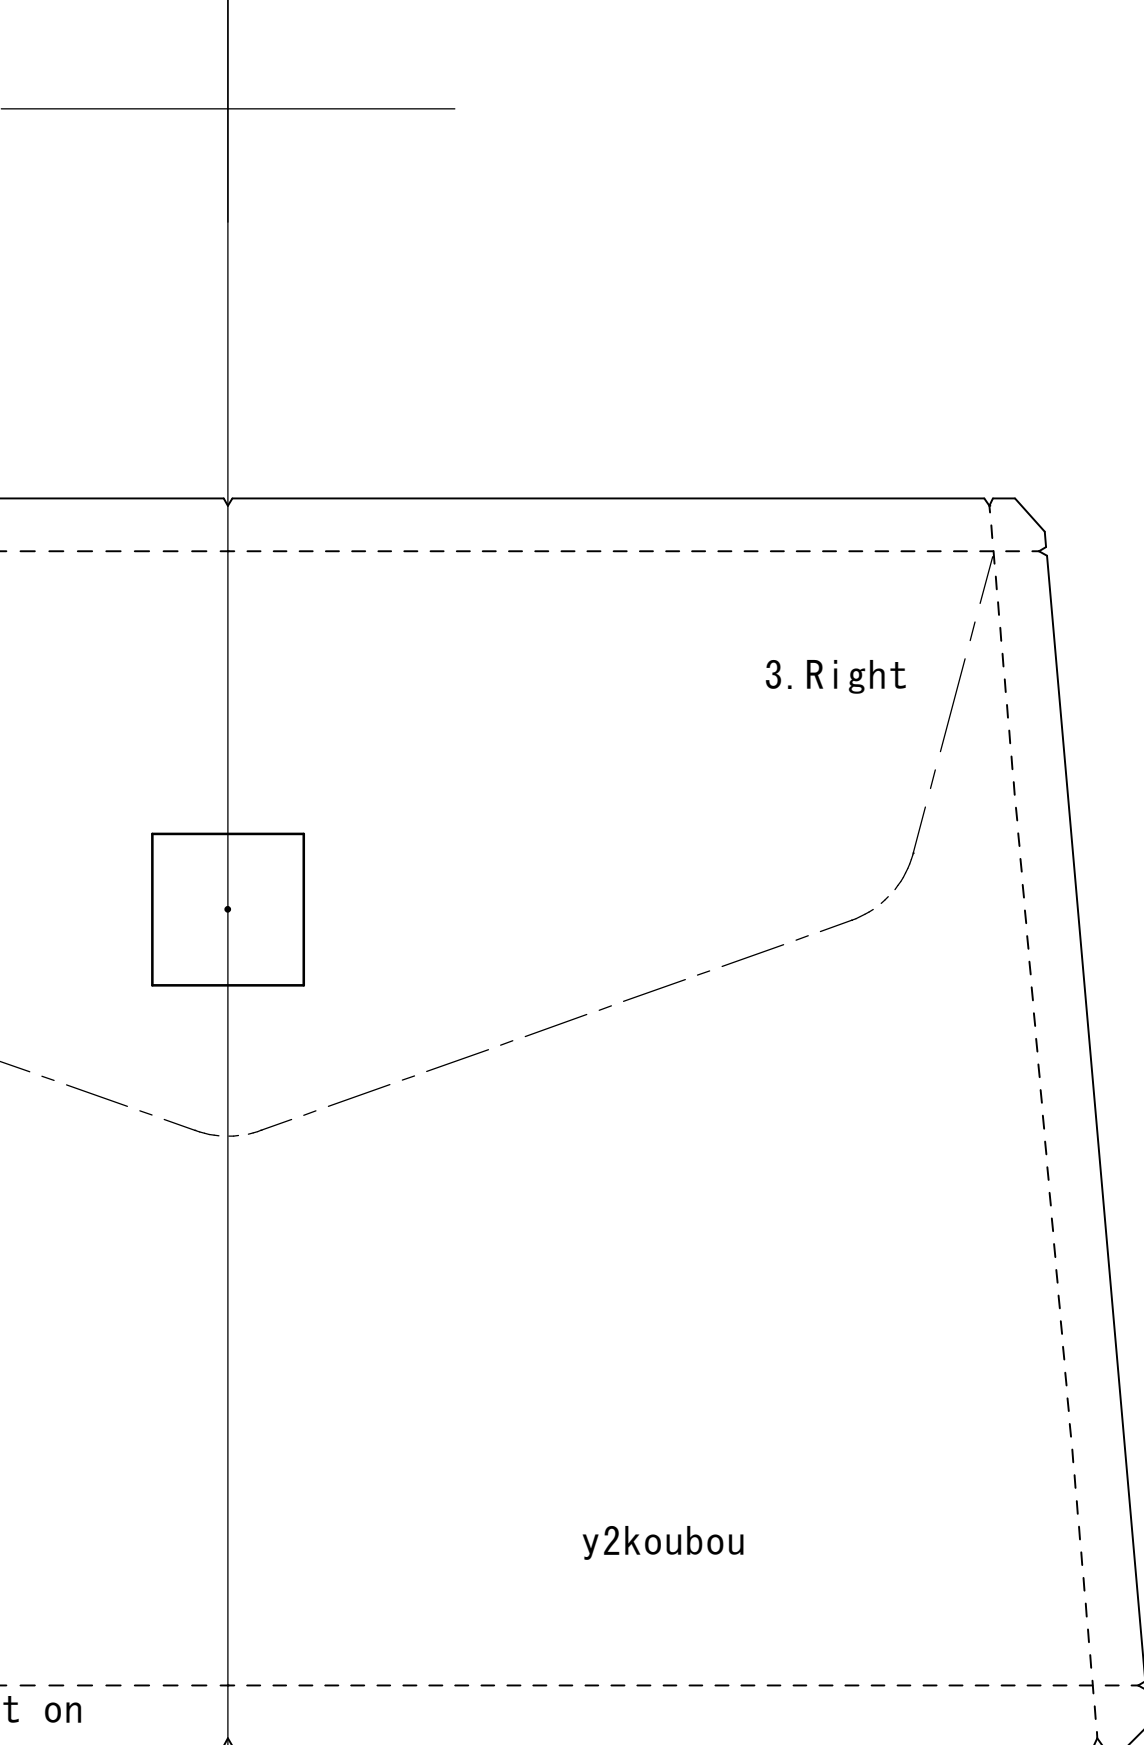

■ Notes

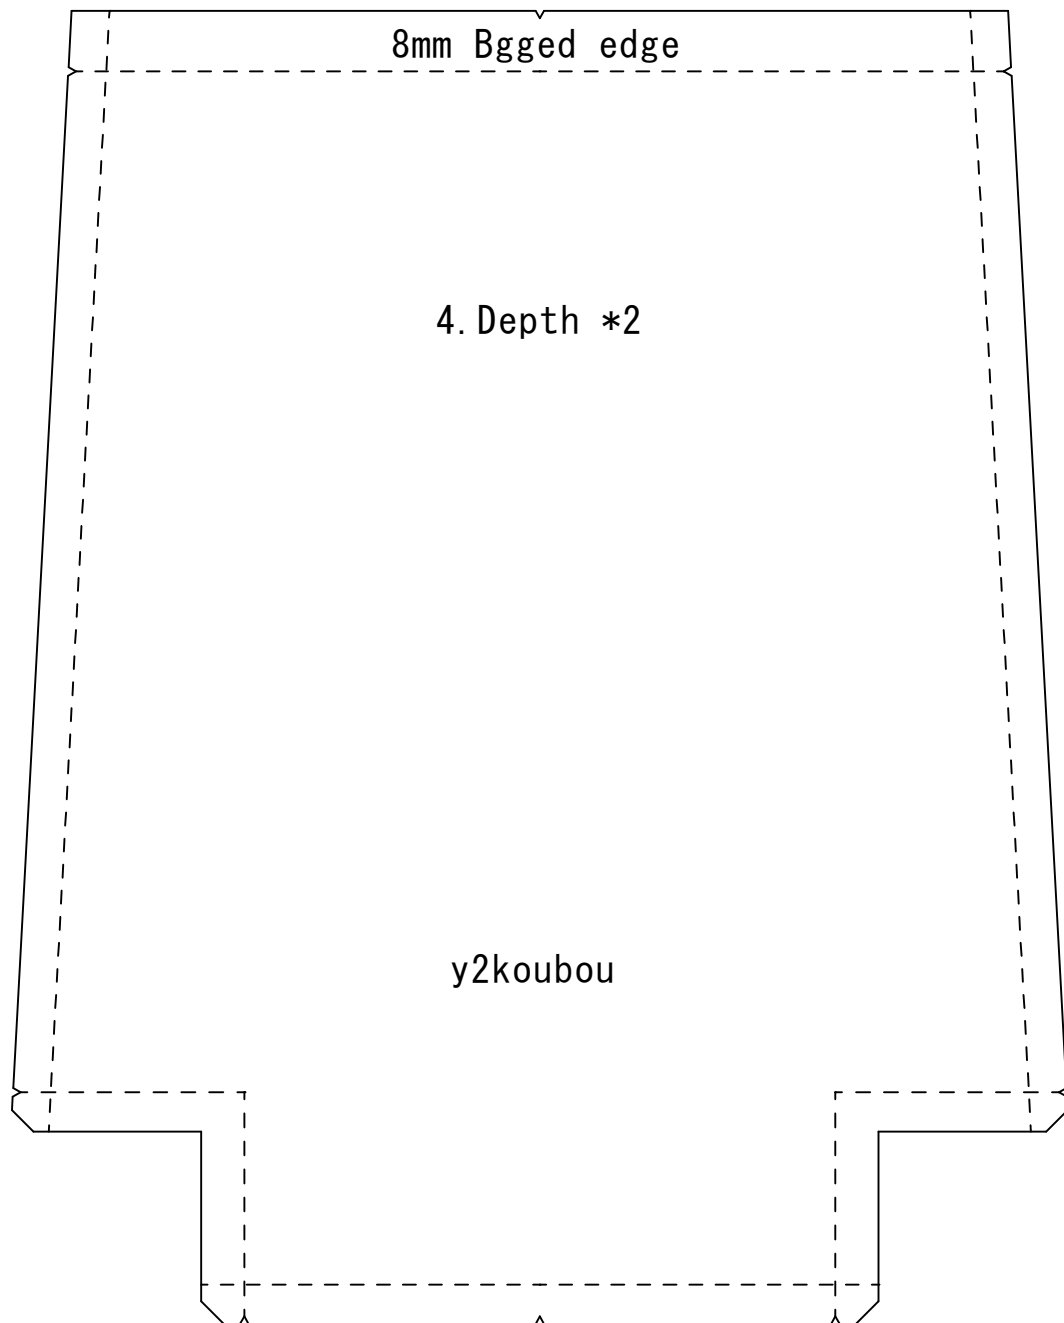

The sewing dimensions may not match due to the accumulation of slight deviations such as the thickness of the leather, the core material, or the thickness of the core material, and it may not be possible to make it neatly. Also, depending on the performance of the printer and the expansion and contraction of the paper, the output may not be accurate, so check the areas where you need to be careful about the deviation of 1 mm (0.0394 inch) before using.

A technical drawing of a leather pattern for a bag. The pattern is a large rectangle with a trapezoidal notch on the left side. The notch is defined by a vertical line on the left, a horizontal line at the top, a diagonal line connecting the top-left corner to the bottom-left corner, and a horizontal line at the bottom. The text '13. Left' is located in the upper left area of the pattern, and '13. body core *2' is located in the center-right area. The pattern is overlaid on a grid of thin black lines.

14. Zipper pocket *1

The image shows a rectangular leather pattern for a zipper pocket. It is divided into three horizontal sections by dashed lines. The top section is a narrow strip. The middle section is the largest and contains the text '14. Zipper pocket *1'. The bottom section is also a narrow strip and contains the text '7mm Bgged edge' at its bottom edge. The entire pattern is enclosed in a solid rectangular border.
